About the Co:

Pay88, Inc. engages in the distribution and reselling of prepaid online video game cards and prepaid telephone cards that allow the user to play online video games for designated allotted times. It offers online multiplayer

game time, as well as a range of prepaid digital cards, including online multiplayer game cards, phone cards, and education cards; and other consumer products through distribution networks in Chongqing, China and through www.iamseller.com, a platform for transferring money and making online purchases. The company also intends to build a Web distribution platform to provide services for connecting diversified service providers and consumer product suppliers to retailers and consumers in the Chinese market. Pay88, Inc. was founded in 2006 and is headquartered in Barnstead, New Hampshire.
